October 13, 2014

Greetings Dear Friends:

From the City of Milpitas, I send my warmest greetings and congratulations to **Celebrating Woman International (CWI)** for hosting the “**Women of Excellence 2014 Award**” on Monday, October 13th, 2014 in Nassau, Bahamas in honor of 100 outstanding women from around the world.

Celebrating Woman International (CWI), a nonprofit organization founded in 2001 aims to mobilize and inspire women across the globe. To honor, recognize and celebrate the contributions of women, leveraging their untapped leadership capabilities in order for them to thrive in the world so that they can lead productive lives; including supporting the fight against HIV/AIDS, cancer and other debilitating diseases that affect women. The “**Woman of Excellence Awards**” will be given to women, who have made significant contributions in the following categories: arts; business; finance & trade; religion; law; civics; media and sports from around the world. These women have been selected for this award because of their special service to their community and the United States of America, as well as their ability to make a difference in the lives of many people they touch through their work around the world.

I commend your efforts and dedication in honoring and celebrating the outstanding women of the world as you bring them together to present them with the “**Women of Excellence 2014 Award**”. On behalf of the Milpitas City Council and, myself, congratulations, once again, and we wish you a most successful event!

Sincerely yours,
