Dear Friends:

It gives me great pleasure to send greetings to you gathered in the Bahamas to celebrate the amazing women nominated for the 2014 Woman of Excellence Award.

I commend Celebrating Woman International for your commitment to inspiring and recognizing the accomplishments of great women around the world. I applaud those today who have been nominated and for their contributions in their communities. You should be proud of all you have accomplished.

If I can be of assistance to you in the future, please do not hesitate to let me know.

Very truly yours,
